

Student Wellbeing Support

Contact us

We know that you might be feeling a little worried during the school closure - please know that you are not alone.

Your PASCOs will continue to support you during this time and can easily be contacted.

All students can email safeguarding@orchard-tmet.uk

- Emails only go to PASCOs
- These emails are checked each weekday during school hours
- Your PASCO will respond and will take any appropriate action, just like they would if you were in school

All students can also still **ring** into school, where a PASCO can speak to you. They will ensure you get contact from your own PASCO and appropriate support.

Tele: 01162413371

For some students, we will make regular contact with you and your parents to check on your wellbeing and offer further support

You can also find support in these places...
