Dear Parent/Carers,

It has been some time since you have had an opportunity to meet with your child's subject teachers to discuss their progress.

We would now like to invite you to **attend the Year 8 Virtual Parents' Evening** which will take place from **4:30 until 7:30pm on Thursday 24th March.**

You will be able to **make appointments** with all subject teachers so you can discuss current progress and predicted grades.

There is limited availability for appointments so please book your virtual appointments as soon as possible using the following the link: [SchoolCloud - Orchard Mead Academy](#).

You will be able to meet with all subject teachers individually to discuss in detail your child's **current progress, what they need to do to improve further and how you can support them in this.**

Our aim is to provide you with information and strategies about how to best support your child to ensure they achieve their best potential.

Obviously, we understand that parents have other commitments, should you not be able to make the appointment it would still be beneficial for your child to log in and speak to their teachers alone. **However, we would prefer to meet your child with you.**

We very much look forward to meeting with you virtually to discuss how we can work together to ensure success in Year 8.

Yours Sincerely,

K Mace
Lead Practitioner
