**RE: Changes to lunchtime**

Dear Parents/carers

On Monday we are making some changes to our break and lunchtime provision to improve the students access to our sports zone and make our transition to lessons faster.

Students in year 8 will be moving from late break and lunch to early break and lunch, where they will share with year 9. Both year groups will have access to the main dining room and sports café food service and both sides of the playground. Both year groups will have access to our new sports facilities and access to the field once the weather allows.

Students in year 11 will be moving from early break and lunch to late break and lunch, where they will share with year 10. Both year groups will be able to access both dining rooms and both sides of the playground. Both year 10 and 11 will have access to sports facilities and the field once it is open.

Students have been told of this change in tutor time this morning. Below is diagram of the changes.
