Dear parent/carer

Year 11 students will be sitting their GCSE examinations in the coming months. We understand that it is a daunting time for both parents/carers as well as children and we want to support you during this time. In the Autumn term we met with many of you to provide you with information on how to best support students in Year 11. We would like to now talk about their latest predicted grades which have been sent to colleges and provide you with supportive subject specific targeted resources.

We would like to invite you to **attend The Great GCSE Revision Resource Give Away and Guidance Evening** to support your child's **progress and revision on Thursday 31<sup>st</sup> March from 5-7:00pm.**

Our aim is to provide you with information, strategies, subject specific resources, revision materials and a pack containing lots of freebies with which to support your child to ensure they achieve their best possible grades. You will also have an opportunity to meet with their subject teachers, the careers advisor and colleges to discuss and plan for your child's next chapter.

The Easter break is a crucial opportunity to revise for their GCSEs so it will be a great opportunity for you to meet with the subject teachers and pick up resources that will help support your child as they increase their revision in preparation for exams.

It is extremely important that your child attends either with you or alone to discuss their latest predicted grades, meet with colleges and collect revision resources for all their subjects.

We look forward to meeting you.

Yours Sincerely,

K Mace

Head of Year 11
