There is no cost to students for the activity week, they have worked exceptionally hard and we feel they deserve a wealth of reward opportunities to show how proud we are of them all.

To sign up, students will need to bring this letter and their lanyard on the allocated sign up days for their year group – this message will be relayed to them through their tutors. Gold students will have the opportunity to sign up to two rewards sessions.

If you require any further information prior to our activities week, please do not hesitate to contact me at the school.

Yours faithfully,

Ms Asha Samrai
