## 2024 - 25

Orchard Mead Academy is committed to ensuring that all candidates are aware of the examination and assessment processes in place, to make the examination experience as stress-free and successful as possible.

The Joint Council for Qualifications (JCQ) governs all public examinations for the awarding bodies and there are strict rules and guidelines that all candidates must adhere to, and Orchard Mead Academy is required to follow them precisely.

It is essential that particular attention is paid to the JCQ notices and warnings to candidates which are included at the back of this handbook.

**It is the responsibility of the candidate to read and understand these notices.**

# Before the Examinations

## Examination Boards (Awarding Bodies) and type of entry

Orchard Mead Academy uses the following Examination Boards: AQA, OCR, Pearson (Edexcel) and WJEC, for GCSE, BTEC, Entry Level and Functional Skills qualifications. The guidance provided in this document refers to the awarding bodies and qualifications listed above.

## Candidate Name

Candidates are entered for all examinations under their full legal first name, middle name(s) and surname. Candidates must use their legal name when completing the details on their examination papers.

## Candidate Number

Each candidate has a **four-digit Candidate Number**. You will need to write your candidate number and your name on examination papers and answer booklets. This candidate number appears on individual examination timetables and on the photo identification card, which is placed on the examination desk. You are asked to learn your candidate number.

## Examination Dates and Timetables

Public examinations take place in January, May, and June each academic year. Public examination dates are set by the Examination Boards and therefore these dates and times cannot be altered by Orchard Mead Academy. Summer GCSE examinations will begin on **Thursday 8<sup>TH</sup> May 2025**. Individual examination timetables will be issued to you prior to this date, which details dates, times, duration of exams, venues, and seat numbers. You need to check this carefully. If you have any concerns about your timetable you need to speak to the exams officer, Mrs Lane, as soon as possible.

The 'contingency dates' of **Wednesday afternoon the 11<sup>th</sup> June 2025** and all day on Wednesday the 25<sup>th</sup> June 2025 have been scheduled by all awarding bodies in the unlikely event that there is a national disruption to a day of examinations.

**You must be available to sit examinations up to and including Wednesday 25<sup>th</sup> June 2025.** Orchard Mead Academy advise that any holidays are planned after this date. Where you or your parents choose not to be available for the scheduled examination(s) you **will not** be eligible for enhanced grading arrangements or special consideration applications.

## Examination Clashes

You may have examination clashes where two or more examinations are timetabled at the same time. The school will make special timetable arrangements for you if this is the case. It is essential that you check your individual timetable and if you have any concerns or queries, please come to the Exams Office. If you do have a clash, you will be under supervision from the exams team, you will need to bring snacks and a drink if it covers break time, if the supervision is over lunch time, you will need to bring a packed lunch or if you are free school meals, let the lead invigilator know and they can arrange for your lunch to be brought down to the exams area, you will not be allowed access to your phone or any other type of digital media during this supervised time.

There is a generic timetable for this summers' exam at the end of this booklet.

## Equipment

You are responsible for providing your own equipment for the examinations. All stationery and equipment must be in a transparent pencil case or a see-through clear bag.

Essential equipment that all students will require are:

- Black ink or black ball point pens. **All writing must be done using permanent black ink.** (No gel pens or erasable pens are permitted)
- Pencil
- Pencil sharpener

For some exams such as Mathematics, Science and Design & Technology additional equipment will be needed:

- Calculator – Calculator lids must be removed as instructed in the examination room.
- Pair of compasses
- Protractor
- Set square.
- 

You must not attempt to borrow equipment from another candidate during the exam. There are strict examination regulations in place regarding the items that may be taken into the examination room. If you break any of these rules it could result in disqualification.

**Check the JCQ Examination Regulations printed at the back of this handbook.**

## Data Protection and Privacy Notice

Each awarding body needs to collect and use personal information about the candidates in order to provide and deliver the examinations and assessments entered. This information includes identification details such as; name, date of birth and your school or examination centre.

The awarding bodies take the security of the information they hold about the candidates very seriously. Full details can be found in the *JCQ Information for Candidates – Privacy Notice 2024/25* which can be located on the Exams webpage on the school's website.

# During the Examinations

Please be aware that if any of the examination rules or regulations are broken this could lead to disqualification from **all** subjects. Any breach of the regulations must be reported to the awarding body by the school.

## Attendance at Examinations

You are responsible for checking your own timetable, ensuring you arrive at school on the correct day and on time.

You must wear the correct school uniform (usual school rules apply for uniform, hair, make-up and jewellery) and bring the correct equipment with you.

Invigilators are in the examination rooms to supervise the conduct of the examination in accordance with JCQ regulations and guidelines. Invigilators will distribute and collect the exam papers, give instructions regarding the exam, hand out extra writing paper if needed and deal with any problems that may occur during the examination. If you have a problem during an exam, you should raise your hand to attract an invigilator's attention. **Invigilators cannot discuss the examination paper with candidates or explain the questions.**

Candidates who are disruptive or behave in an unacceptable manner will be removed from the examination room by invigilators or members of the Senior Leadership Team.

## Absence from Examinations

If you are experiencing difficulties during the examination period (e.g., illness, injury, or personal problems) please inform the school at the earliest possible opportunity so that we can help or advise you.

All possible attempts must be made to sit the examination. Only in exceptional circumstances are you allowed special consideration for absence from any part of the examination. Medical or other appropriate evidence must be obtained and handed in to the Exams Officer, Mrs Lane.

**Please note that misreading the timetable will not be accepted as a satisfactory explanation of absence.**

Parents are asked to refrain from arranging family holidays during the examination period up to and including the final 'contingency day'. Authorisation for holidays will not be given during this time. Orchard Mead Academy fund all initial examination entry fees, however, candidates who fail to attend an exam will be charged the examination fee by the school if they do not have a medical reason for missing the examination.

**The fee for external examinations is approximately £55 for each individual examination paper.**

# After the Examinations

## Summer 2024 Results

Results will be available for collection on:

**GCSE Results Day – Thursday 21<sup>st</sup> August 2025, Timings will be confirmed by letter.**

If you are unable to collect your results in person, a Third-Party Collection form must be completed and returned to the Exams Office, nominating another person (including family members) to collect the results on your behalf and what form of identification the nominated person will be using, this information must be provided to the exams manager in advance of results day – **not on results day**.

If you require your results to be posted to you, you must provide a **stamped self-addressed A5 envelope** before the end of summer term. Results will be posted out on Results Day and not before. We strongly advise that results are collected in person by yourself, or by a nominated person, as we cannot be held responsible for the postal system.

**Results will not be given out over the telephone under any circumstances.**

Uncollected/unposted results will be available for collection from the Main Office when school re-opens in September.

## Post-Results Advice

Members of staff will be available on Results Day to provide post-results advice and guidance.

- Enquiries about Results (EARs)
- Review of Marking (RoM)

If you feel strongly about making an enquiry about your results, this should first be discussed with your subject teacher who will advise on the viability of such a request. You need to be aware that marks can go down as well as up or remain the same. The examination boards charge a fee for this service, this fee changes every year.

If you decide to proceed with an Enquiry, you and parents must complete and sign an 'Enquiry about Results' consent form and payment must be received before it can be processed. All enquiries must be directed through the school. As a student you are not permitted to enquire directly to the examination boards.

All Review of Marking outcomes will be received by Mrs

Lane, the Exams Manager. Students will only be contacted by the Exams Office if there has been a change to their grades awarded.

- Access to Scripts - Students are entitled to request a copy of their exam papers, this will be requested from the awarding body and then downloaded once the review deadline has passed.
- Certificates - All certificates are issued in your legal name.

Certificates for the summer examinations will be received in school towards the end of November. You will be invited to come and collect your certificates from the Exams Office during school hours.

Certificates will not be given to anyone other than the candidate. If you are unable to collect your certificates in person you must complete a Third-Party Collection form nominating a third party to collect your certificates on your behalf.

Schools are only obliged to retain certificates for 12 months after the date of issue.

Certificates are important documents, as educational institutions and potential employers will ask to see the original certificates. If you lose or fail to collect your certificates within the time frame, you will need to pay for a duplicate from the relevant awarding body(s) at a cost of around £60 per certificate. You are urged to collect your certificates and keep them safe as soon as you possibly can.

## Reviews of results - centre assessed marks GCSE non-examination assessments and our internal appeals process.

Orchard Mead Academy is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Orchard Mead Academy is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where more than one subject teacher/tutor is involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

1. Orchard Mead Academy will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body. In order to keep an accurate record of this students will sign to say whether or not they are happy with the mark awarded and if they wish to appeal or not.
2. Orchard Mead Academy will inform candidates that they may request copies of materials to assist them in considering whether to request a review of the centre's marking of the assessment.
3. Orchard Mead Academy will, having received a request for materials, promptly make them available to the candidate. This will either be the originals viewed under supervised conditions or copies.
4. Orchard Mead Academy will provide candidates with sufficient time, normally at least five working days, to allow them to review copies of materials and reach a decision.
5. Orchard Mead Academy will provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests **must** be made in writing and candidates **must** explain on what grounds they wish to request a review.
6. Orchard Mead Academy will allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks.
7. Orchard Mead Academy will ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the outcome of the review.
8. Orchard Mead Academy will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. Orchard Mead Academy will inform the candidate in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the head of centre. A written record of the review will be kept and made available to the awarding body upon request. The centre will inform the awarding body if it does not accept the outcome of a review.

The moderation process carried out by the awarding bodies may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that the centre's marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

**This policy should be read in conjunction with the 2024 – 25 complaints and appeals procedure.**
