Dear Families,

I am writing to congratulate your child on the excellent start they have made to this academic year.

Throughout this first half term, we have closely monitored pupils' attendance, attitudes to learning and conduct. We are delighted to recognise that your child has demonstrated strong attendance, a consistently positive approach to learning and excellent standards of behaviour. These qualities provide an important foundation for both academic success and personal development, and your child should feel incredibly proud of the commitment, maturity and positive attitude they have shown towards school life.

As this has also been my first half term as Principal, I have been meeting students across the school and getting to know our community. I have been extremely impressed by the commitment, maturity and ambition shown by so many of our students. Your child has played a part in creating a positive first impression and helping to establish the high standards we want to see throughout the school.

While it is important to recognise success, this is also the moment to look ahead. I would like to challenge your child to maintain these standards throughout the second half term and beyond. Consistent attendance, effort and positive behaviour every day will continue to make a significant difference to their achievement and wider school experience.

There are a number of exciting rewards and enrichment opportunities planned this year, including rewards trips for students who consistently meet our expectations. Students who continue to demonstrate excellent attitudes to learning, strong attendance and positive conduct will accumulate Oath Points and be well placed to qualify for these opportunities.

Thank you for your continued support. Together, we can ensure your child continues to thrive and make the most of every opportunity available to them.

Congratulations once again on such a positive start to the year. I look forward to seeing your child's continued success over the months ahead.

Yours sincerely,

GTAldred

Mr G Aldred
Principal
